

# DECO CLEAN

DESCALING CLEANER FOR CLEANING RESIN  
AND CONCRETE SURFACES

## DESCRIPTION

DECO CLEAN is a scented, buffered acid cleaner ideal for removing white efflorescence from stoneware and terracotta tiles, as well as for removing cement, plaster and lime from floors. A low-foaming product that can be used either manually or with a floor cleaning machine to remove limescale deposits and rust stains from floors and all hard surfaces; excellent for cleaning terraces and balconies and for the occasional whitening of marble.

## FIELDS OF USE

DECO CLEAN is particularly suitable for cleaning the following surfaces:

- Resin coatings;
- Tiled floors;
- Cleaning forklift marks;
- Removing grease and grime from surfaces that are not damaged by water;
- Cleaning of floors inside premises such as garages, warehouses, cellars, etc., and outdoor surfaces such as forecourts, driveways and courtyards;
- Car parks, airport hangars, logistics centres, metalworking, canning and manufacturing industries, and warehouses.

## PACKAGING

5-litre can

## CONSUMPTION

From 10 to 100 g/m<sup>2</sup>

## PRODUCT PREPARATION

Use undiluted or diluted with water as described in the "METHOD OF APPLICATION" section.

## CERTIFICATIONS

ISO 9001 certified quality management system (Certificate No. IT.17.0227.01.QMS).

APSE S.r.l. is an active member of CONPAVIPER.

## METHOD OF APPLICATION

Use undiluted for cleaning urinals and toilet bowls. Dilute to 20–30% in water (2–3 litres of product in 10 litres of water) for cleaning floors and balconies. Dilute to 5–10% in water (0.5–1.0 litres of product in 10 litres of water) to make taps, tiles, showers, washbasins, etc. shine. Dilute to 10–20% in water (1–2 litres of product in 10 litres of water) for deep cleaning of acid-resistant floors.

For other applications, assess each case individually depending on the type of dirt and grime to be removed. Rinse thoroughly. For stubborn dirt and stains, we recommend testing the concentrated product on an inconspicuous area before proceeding with cleaning.

Application: using a floor mop or an industrial scrubber-dryer.

## HEALTH AND SAFETY

For information on safety regulations, hazard statements and precautionary advice, rely on the latest MSDS by making a request to:
